The Story:

My, My, Sandra has a stunning body with soft skin, cute tits and an adorable pussy that just screams ?eat me, eat me? (and I did which she seemed to really appreciate) BJ was text book perfect and she is a moaner and panter which I just love. With a beautiful smile and welcoming lips. Her long black hair is incredible and smelt as good as her. With a rhythmic action that made my eyes water and my cock spurt loads. Yum! Thoroughly recommended
