### The Premises:

As always, clean flat, clean bed, clean bathroom, nice quiet area, lots of parking & no one takes any notice of you when you go through the easy to open outer door

### The Lady:

She is in her late 30's but her pix on the website don't do even half the job. She looks 10 years younger, with fantastic long slim tanned legs, a fantastic arse, and medium sized natural tits that are 100% perfect. She's about 5ft 10, so in her heels she's like an Amazon! Her face is gorgeous too, and again doesn't give you any idea of her age. She isn't stick thin, probably size 10-12, but much the better for that.

### The Story:

I won't do a blow by blow (ha ha) account, but let's just say I can't think of a better way to spend an hour, and for the money you will feel like you've robbed her. She is funny & always ready with a self deprecating one liner if you pay her a compliment, so she puts you at your ease right from the start, and as for the bedroom, one word: wildcat. This is a lady who enjoys her work and can pick and choose who she sees now that she reckons she's getting a bit too old to do the job (what rubbish). You would be proud to walk into a room with this lady on your arm & she would be the classiest woman in there. And as for in the bedroom, well, fellas go & see for yourself, don't take my word for it, but I guarantee it will be THE most mind blowing sex you will ever have, followed by a laugh and a pleasant chat after. She is the boss of the company & if the rest of the girls can be as good as her for as long this lot will eventually earn more money than Alan Sugar!
