The Premises:

Tidy, comfortable flat in central Aberdeen; very safe and anonymous

The Lady:

Well over 6 feet tall in her elegant high heels, with a splendid body to match. Always wears black stockings, multi-suspenders and bra under her little black dress or negligee. Very attractive face with open-to-suggestive-suggestions eyes and welcoming smile.

The Story:

Being an older guy, I have sampled the varied delights of a considerable number of ladies over the years, and not one of the others matches Amanda for the consummate feeling of close-bonded togetherness which seems to come so naturally to her. Her GFE is so real that you feel it is just for you alone, and you totally forget that she has a large number of other dedicated admirers to whom she will equally readily give of her all!

Her touch is one of the lightest yet most sexually arousing, and she has an expert way of tuning in to her clients' (well my, anyway!) desires, abilities and sexual proclivities. Her kissing, whether of lips, nipples or elsewhere, is just fabulous.

I have previously had the "pleasure" of her company for a long evening's dinner date, and it is not only in bed that she is excellent company!

Haste ye back to Aberdeen, my dear, when I am not away cruising!!!
