### The Story:

Reena is a girl who gives you exactly what you ask for. She truly enjoys what she does. Soon as she came in I was amazed. She is better in the flesh than in her pictures.

We started by undressing and she told me to get on the bed for a massage. Sexy massage, as she kissed and licked my kneck whilst rubbing her tits down by back which turned me on even more.

We had great 69, OWO and RO, before she slipped the condom on and told me how she was going to fuck me. She got onto of me and blew me away. Boy does she know how to ride your cock! We then had mish, lots of french kissing. She bent over and told me how she wanted me to enjoy fucking and watchn her through the mirrors as I fucked her doggy.

By this time I was exhausted, slipped the condom off more some more oral as she played with the cock before I shot me load all over her tits. Nice!

A truly genuine and horny girl!
