The Premises:

Been once before and it is a very full appointed location, with ensuite rooms, just the business. Great receptionist who helped find the location. Good value.

The Lady:

Striking figure with full 34DD breasts and very curvy. ~I wondered if they were fake boobs and i could not be sure. Probably not; lovely nipples. Firm bottom, really pretty from a doggy viewpoint. Mid 20's half-indian lady with long black hair in curls and lovely brown eyes.

The Story:

I am not sure what ?10 for french kissing means, all i got was little pecks. Perhaps i have watched too many hollywood passionate scenes? Perhaps there is is a definition in the punternet glossery? Otherwise, good punt, tried various positions and eventually came. She is a great looking woman.
