The Lady:

Black girl in her late 20s, beautiful, delicate and stunning, fabulous body, lean, toned and shapely. What a wonderful discovery, she does not usually work on Wednesday, and a visit on her normal day, Monday, is now a must. A real African princess with regal sex!

The Story:

I had an excellent time and she took her time to find out what I wanted.

Before the massage, with her rubbing her gorgeous body against me, my cock was already hard and ready to go.

Her enhanced breasts were just made for kissing, which turned her on. She responded to all my fumbling and tasted good when I found my way between her legs, shuddering as I enthusiastically sucked and kissed. Adorable pussy. Her anal touch on me was a bonus and not something that I have experienced before and added to my pleasure. The covered blowjob had me shuddering and I just had to ride her doggy to an excitable finish.

Nice person. Thanks Laylia I hope to see you again soon.
