The Story:

Belanna's services have been well described in earlier reports and everything I asked for was available. Unfortunately there wasn't time to sample everything as so much time was spent thoroughly exploring those areas we did try. Once financials were sorted out she launched into the most passionate deep kissing I have experienced. We engaged in some role play which added spice to the meeting, with her playing submissive which she excels at. The harder you squeeze her nipples the more she likes it. She also enjoys a very red bottom. This is a rare asset to be enjoyed but treated with respect. This lady is probably the most enthusiastic and willing WG I have met. She really enjoys her work and it shows. Why do I live so far away?
