The Premises:

An excellent service from the agency. Got there about an hour earlier than planned, called the agency and they managed to move my appointment to an earlier time, all without fuss.

Nice clean place with a clean bedroom and bathroom, was offered a shower beforehand.

The Lady:

A stunning beauty, just check out her pictures. This was her third day of working, very tight indeed. One of my most pleasant experiences.

Provides everthing with the exception of alevel and cim.

Really really friendly and accomodating. No attitude and performed well above expectations.

The Story:

Did not feel rushed at all. It appears she was willing to provide two shots for the hour, though I can barely manage one so there was no need.
