The Lady:

Madison is in her early 20?s with a very pretty face, slim figure and long black hair. Overall a wonderful combination.

The Story:

This was my first visit to Madison as I had wanted to see her for some time since she started here. I certainly was not disappointed and she was definitely worth the wait.

Had some lovely French Kissing both in and out of the shower but I turned down the offer of a massage as I was just too impatient to go down on that gorgeous pussy.

Followed this by some great oral (always ?with? at this establishment) then sex in many positions ? Madison said she likes them all ? and a powerful (well, for me) climax.

Was then pleasantly surprised to be offered that massage I had declined earlier and then, unfortunately, time was up.

I found her to be a most polite, considerate and charming girl. It?s probably an old clich? but she really does all that she can to please and ensure that you leave happy and satisfied, as I certainly did.

I would always recommend this establishment and with Madison Debbie?s has another star who I will definitely see again before too long.
