The Premises:

Was in a main road position so felt safe. Top of W M C motors talbot road.A very run down flat.

The Lady:

Dark hair very overweight, about 5ft 4 tall,not very good looking.

The Story:

Phoned her and arranged to see her at 3pm. She advertised herself as Missy someone I have been with before and who is very nice. When I got to the flat I said is Missy there, she said that she was the only one and use to call herself Missy, but was now Morgan.Morgan said do you want a service ? it will cost you ?60. I said Missy only charged ?40 so said she would do it for that.We went into the bedroom and I gave her ?40.She said get your clothes off and I will be back in a few minutes. She took off her clothes she was horrible did,nt fancy her at all. She said that my cock smelled and that I had a disease so she woul,nt give me a service. I said can I have my money back , she said that it was locked in the safe so I could not have a refund. Just went away as I did not want any trouble. [I have been for a check up and nothing wrong with me]
