Enough reports here for all to know what its like!

The Lady:

A new lady, small but with all the right bits in the right places with mainly blonde hair with some darker shades but very presentable indeed.

The Story:

Rang by chance as I know there are some new girls working at the HO recently and found that Nicole was available. After I had my shower, Nicole came in and I was very happy with what I saw indeed!

Very good OWO indeed where I was thinking of anything to hold back and a very enjoyable time was had with an excellent orgasm in missionary. We enjoyed a variety of activities and guys she is a very pleasant and attractive girl so here is my report with very positive feedback as promised for Nicole. Definetely one for a return visit!

Saw Becky again on my way out and what a duo they would make!
