The Story:

We corresponded by email before my visit and I explained what I was looking for. Isabella was most attentive in following my suggestions.

She is friendly and warm and quite at home with cross dressing and had supplied a white satin dress with suspenders with black stockings as I could not bring my own lingerie with me. She stroked and caressed me through the silky dress and her sensitive hands strayed underneath it to tease me and play with my erect cock and stroke my nipples. After enjoying this for some time she rubbed her lovely breasts all over me and then produced her strapon and gave me a good seeing to. Then she continued to caress me through the satin material until I had a most satisfying orgasm. I shall certainly want more of this treatment from Isabella!
