The Lady:

Her pictures on A*** do not do her justice - she is absolutely gorgeous - blonde and petite and very pretty. Looks 20ish.

Very chatty, nice personality.

The Story:

She is a very enthusiastic French kisser and we got on very well from the start.

Excellent oral without - lovely and churning. Was very appreciative of cunnilingus - ended up with deep tonguing - not sure she actually came but she clearly enjoyed it.

Previous reports have said she has a typical Thai physique - well she has, but unlike Thai girls who often wince and say you're too big for them, Lucy can take the lot - full depth missionary and doggy. Finished in doggy with her shoulders on the bed and bum in the air - perfect for a good shafting.
