### The Lady:

Tall, slim, shaved pussy and blond hair (brunette on website, the photos are genuine!) B/C pert breasts basically stunning

### The Story:

She gave my arse a good shagging with a rubber dildo before guiding me into first her pussy and then her tight arse in cowgirl position. Unloaded a huge amount into her bum.

A nice massage before prostate massage, more dildo work on me whilst jerking me off. A bit of a rest before I jerked myself off as she sat on my face and pushed that pretty pussy into me.

Basically a very good time in my book! I will be back for her to use a strap on on me.
