The Premises:

Zara's is a very easy place to find and very quiet area with loads of on street parking. Walk through the door up the stairs to the other door and rung the bell. The receptionist was very friendly and polite and showed me to the room and offered me a drink. The place is very well looked after and clean and tidy. I felt very comfortable being in thier.

The Lady:

Heidi is a very beautiful slim and sexy lady. She has got lovely long blonde hair and a really pretty face. She has got a great pair of tits and a really smooth soft tanned skin.

The Story:

Heidi walked in wearing very sexy underwear and chatted to me as old friends. I have seen Heidi loads of times before. I lay on the bed face down and she climbed on top of me and did a really lovely massage. She then stripped and rubbed her tits on my back and it felt fantastic. She kept rubbing my back and playing with my balls and cock and kissing my back and bum. She told me to turn over and then she lay next to me and we chatted and cuddled and kissed wish i really enjoyed. She then was playing with my cock and balls then started to kiss down my body and kissing my cock and balls. She did oral and it was amazing. I then did oral on her and she gets very sensitive down thier. She then put a condom on me and she climbed on top of me and the sex was that good i didn't last very long. This girl knows what she is doing and is amazing. She didn't rush me to get out. whilst i was getting dressed we chatted. Then we had a really lovely kiss and a cuddle as i left. I can't wait to see her again and hopefully i will have an hour with her.
