The Story:

Having never been to a party I was nervous as I arrived at the venue.

Although the evening party is only two hours this is perfect for me as I work in the day and cant make the daytime parties. I didn't have to worry, as everyone is very nice and put me at ease. The girls are really sexy and as I walked in they were in the middle of their show. Paris has massive boobs and she's very pretty, Katie is a lovely girl tanned and pretty, Becky is leggy with long hair and very sexy and Sable is stunning.

There were only 2 other guys at this one, which I'm told is quiet but we all had a great time. Starting with girl on girl and then we joined in. For my 1st time I had Paris and Katie both on me sucking my cock! Then I had to fuck Paris whilst I held her massive boobs. Brilliant!

Round 2, I went upstairs with Sable who is Hot! She has amazing legs! It was great to get some time alone with her. Next Becky and Katie came in with another guy so we all joined in again which was fun. The girls are non-stop and seem to be really having a good time them selves. I can recommend this party
