The Story:

Paid for 30 mins owo started with nice massage with oil then turn over when Maria started to worship my cock with her mouth great technique sucking licking and caressing my balls on to 69 she was very wet and tasted very sweet allowed me to finger probe her anus and let me rim her. On with the condom and sex in several positions, she orgasmed and let me lick her juices before wanking me off letting me shoot my load over her beautiful breasts and nipples. Must say I will definately be seeing Maria again not just for her sexy skills but to hear that sexy voice again
