The Premises:

As previously reported - not bad - spacious rooms, fairly clean, plenty of parking on street outside and in a nice area.

The Lady:

I was told she was 19 and she actually looked it or not far off. About 5'5" without shoes. Dark hair and a good tan - fake but who cares. A really nice body; great firm, perky tits; a beautiful shaved pussy and a really fit, firm body. Great arse and legs too!

There was also an older Thai lady there who apparently does a really good Thai massage and looks quite nice.

The Story:

Really enjoyed Porsha's body and the punt overall - started with a back rub with oil and moved on to covered oral and then sex in three positions. The condom split whilst fucking her in doggy but she didn't seem to mind and assured me she was safe. Finished in mish with a nice orgasm whilst gripping on to her lovely arse.

On the down side there wasn't much chat and she seemed in a bit of a rush (paid for 30 mins got about 20). OWO or kissing were not offered and I didn't get to lick that nice pussy. Maybe in time she'll settle down and offer more of a GFE. However if you like younger fit girls she's a must.
