### The Premises:

Head Office has long been the classiest joint in the Potteries (although the newly revamped Tingles in Longton is now equally good).

### The Lady:

The Head Office's website fotos are accurate. Cindy is a very slim, almost skinny 28-year-old Russian emigree who has lived locally for eight years. I saw her seven years ago when she used to work at Emmas as Natasha and at Affinities in Burslem as Milan.

### The Story:

Cindy recognized me from our earlier meeting, but I did recognize her. The reason: she used to be a pale-skinned size 16 brunette, and has become a tanned size 6 blonde! She now looks very sexy, and physically is rather nicer than she used to be, although her tits are now very small.

She gave good OWO and good sex (cowgirl and mish), before a hand-relief finish. Altogether a satisfactory fuck; but I felt she was a little too menu-driven: kissing, OWO , REVO were all an extra tenner. Also, she asked for a fifty pound fee, affecting to have forgotten that it is forty pounds at Head Office at weekends. She was rather reluctant to do as I wished, insisting on her own preferences; and she refused to remove her bra! That's OK if it's your girlfriend; but when one pays for sex one expect the girl to do as asked.

So an OK time, but I am not in a rush to return.
