The Premises:

Typical HOD flat, right next to a large car park. Didn't know that so parked 10mins away and walked!

The Lady:

As website pictures, very pretty, blond, great breasts

The Story:

Didn't start well when within the first 15 seconds she said "1 hour that's ?120", which was far too direct for my liking. I prefer to hand over the money without being prompted. Still, from there on in it was all good.

Ella really seems to enjoy what she does and is very enthusiastic. She does like things done in a certain way which is fun when being prompted to stick your finger in a certain place during 69, but can come across as a bit naggy, a true GFE!

It's not hard to see why Ella is so popular so make sure you book early. I booked her nearly a week in advance and still couldn't get the exact time I wanted!
