### The Story:

I think that this is the first time I have used this agency and have been trying to arrange a meeting with Hazel for several weeks, but work and other commitments got in the way. I finally managed to see her and I was not disappointed.

Hazel is a very easygoing, friendly girl and put me at my ease immediately. I availed of the offered shower, though Hazel declined to join me.

Back in the bedroom, she gave me an extremely good OWO. Was very happy during a prolonged reverse oral and then I found I had wilted.

Hazel coaxed me back to life with another wonderful OWO and when I asked if CIM was ok? she said "little bit". I warned her of the impending explosion of a weeks worth and she licked and sucked all the harder until I spurted, then finished me off by hand.

In all, a very satisfying experience with a lovely girl and one I would like to repeat.

When showing me out, we went through the living room and her flatmate, a dark haired girl was seated on the couch with a laptop computer. I made a note to look her up for the future, as she seemed also very friendly.
