The Premises:

Nice new block of apartments, just off the main road easy to find, loads of free parking. The area seems ok and i felt safe enough, Entrance is very discreet, apartment was very clean and fresh.

The Lady:

Sexy curvy lady in her early 30's, stunning body with a great pair of tits, lovely nipples.

The Story:

When i arrived Sandy offered me a drink, and told me to make myself comfortable while she poured it for me,, she was back in no time, we chatted about what i would like and i decided i would like a nice massage first, which she gave me. Which was excellent, not just the usual rub down. After that I turned over and Sandy and i started off kissing, followed by OW and then a few different positions. The oral was great even though it was protected and the sex was amazing, Sandy was very responsive, i felt as though she really enjoyed herself. She was lovely company, and i will defiantly be visiting her again soon.
