The Story:

Emma entered the room she was very warm and friendly with a dazzling smile. Was offered a choice of girls who were also very beautiful but Emma really stood out. Because she was just so beautiful I opted to spend the full hour with her. After exchanging money Emma returned to the room and offered me a very sexy massage. I then turned over and licked and sucked her gorgeous tits working my way down to her beautiful shaven pussy. Emma seemed to really enjoy me licking her and squirmed with genuine pleasure. Emma then manoeuvred herself into the 69 position so she could suck me uncovered whilst I continued licking her. Emma really does give mind blowing oral licking, sucking and touching at all the right times! Quickly slipping on the condom I fucked her in mish before flippin her over to finish in doggy so I could give her arse a light spank and grab her tits. wow...

I had a little time left but Emma didn't rush me out of the door. I chatted to her with ease about general everyday stuff. Emma is an intelligent girl and being English it is refreshing to hold such smooth conversation with a working girl.

Emma is an amazing girl from start to finish and I highly recommend.
