### The Premises:

Pleasant flat in a nice area.

### The Lady:

Quite pretty blonde girl. Pictures on website are reasonably accurate but perhaps a little misleading.

### The Story:

I booked Stella because I gathered that she offered kinky services as well as the usual GFE vanilla ones and I like the combination of both. She did indeed provide both perfectly well and I can recommend her to anyone who shares my taste for this combination. However, I don't suppose I'll repeat, as there are many more exciting experiences to be had out there.
