### The Premises:

Place was OK and air conditioned which was appreciated in the hot weather. No EE girls which is normally better.

### The Lady:

Slim physically fit with long blonde hair.

### The Story:

Looked great and very chatty which can get on your nerves after a while. Quick back rub and I mean 20 seconds type quick. Turn over and grabs and starts yanking. On with the cover and a quick BJ followed by cowgirl. After less than a minute "are you finished"? and this happened 3 more times till I just gave up.

Maybe just a bad day or she was in a rush but I would not bother with her again.
