The Lady:

the main that i can remember about this woman were her enormous tits.she is new to the agency and the business so didnt have any photos available at the time. but from what they described on the phone i was expecting alot and candy didnt disappoint.shes 21, english black. tall, slim and yet curvy. she had massive 36 ff natural breasts that i couldnt quite believe were real no matter how many times i touched them.

The Story:

i had a fantastic time with candy, which why it went from 2hours to 5.she is a great party girl and knows how to have a good time.she was willing to try different things like uniforms and toys and very eager to please.she great with conversation too and knows how to mkae you feel wanted and like she wants to be there.everything was fantastic if id had more cash on me id have kept her longer and definitely going to see her this weekend.
