### The Story:

Had noticed that Sophie was doing a short tour in Manchester. Had been wanting to see her for some time so decided to ring & make a booking. Sophie handled everything with the upmost professionalism & it all went without a hitch.

I rang Sophie on the day to confirm booking. She gave me the address of hotel & told me to ring her when outside to get room number. I rang her when i arrived & she guided me to her room. Hotel was very discreet & no problems with reception.

Sophie greeted me wearing the red basque (at my request) with her huge boobs spilling out. Surprisingly, with me being a big boob fan, what really caught my attention was how stunning Sophie looks facially. Other posters have compared her to Scarlet Johanson & they are dead right. Sophie is the most naturally pretty girl i've seen.

After taking a quick shower i joined Sophie on the bed. It can sometimes be a little awkward at the start but not with this girl. We went straight into dfk & everything flowed naturally from there. There was lots of dfk, oral both ways, sex in numerous positions & obviously plenty of boob fun. Much credit to Sophie as i was coming off a night shift & feeling pretty knackered but she still managed to coax 2 big loads from me. I actually felt i could have kept going.

There was never any rushing from Sophie & even though we'd run over she still insisted on giving me a massage to finish. This was a very relaxing way to end & the feeling of her boobs rubbing on my back was heaven.

This girl is something special. Beautiful, funny, bubbly & intent on giving the punter the best possible service. Have crossed the remaining girls from my wish list as i don't think you can top this girl. Am gutted she's so far away & that i didn't book for longer. The next time she's in the North it

will be a 2hr booking minimum & i'd advise you to do the same as 1hr just isn't enough.
