Well reported on establishment. Staff friendly. Obviously a busy establishment as I had to wait and there was someone waiting behind me

The Lady:

Indian lady, young and petit.

The Story:

I think that Nisha is new to this establishment. The service I received was top notch and hopefully this will continue with others as she stays with this establishment.

Very vocal but you get the impression that she will say the same thing for all people.

If Nisha can deal with that and keep the same service I can see her becoming the rising star of this establishment
