The Story:

Candy is enormous fun and dead sexy. She looks amazing, with her splendid boobs and slightly fantasy-style appearance, and she's up for more or less anything, from GFE to pretty kinky. This was my second visit to her: she gave me a nice glass of white wine, we had a chat like old friends and then she undressed me really sensually and we got on with lots of delightful things. Had I not gone away from London shortly after that, I would have already seen her again. Now that I'm back for a few weeks, I certainly intend to again. And I strongly recommend her.
