The Premises:

Very close to Lancaster Gate tube so very nice area and front of building. The flat was very small but clean and comfortable.

The Lady:

Definitely same girl as the photos on the website. Totally hot slim Russian girl.

The Story:

Visited Kirstina for GFE and, boy, did she deliver. For me she looks better than the photos (cliche I know, but true), exactly how I would picture sexy young russian girls to be.

She was very sweet and put me at ease straight away. After a quick shower we went straight to bed for some passionate kissing. I can confirm she does indeed provide those services that are listed on the website: FK & GFE (great kissing and lots of full body cuddling), OWO & CIM. I loved her blow jobs too, fantastic work with her tongue, lots of ball licking too. Unfortunately, I was having one of those days where I could only come once but what a trooper!!! She really wanted me to cum in her mounth and it felt as though it was more about wanting me to leave completely satisfied.

I can't stress enough what a great girl she is. Extremely sensual and fantastic attitude in willingness to please. I think I might just become a regular of hers.
