The Premises:

Anonymous flat above offices on the Greys Inn Road. About 2 mins from Chancery Lane tube. Boring inside, think they had just moved in. Hopefully it will be better run than some of their past premises around Baker Street where bookings management appeared to be a struggle. Flat was spotlessly clean.

The Lady:

Highly anglicised asian lady, early 20's. Intelligent student type. Nice straggly black hair to her shoulder blades. Average height, OK looks, fantastic legs (with just a nice bit of shape on the thighs), nice breasts (small to medium).

The Story:

On average about once every two years I have an experience where a girl who is new to me steps into view and instantly sets my heart (and groin) pounding. This was one of those moments.

To be honest the service could have been anything after that point and I would have been happy. But it in fact perfectly matched that first impression. Great great actress. I set a simple fantasy which she grasped perfectly. Required her to be abusive & sarcastic which she did to a tee. Nice touches & techniques too. A real find.
