The Lady:

Karry is a tall busty hourglass lusty stunner! Amazing boobs, big heavy natural suckable breasts with some great tattoos and pierced nipples, heaven! She has a great arse to really pound it into and that mouth...did things for me that spun my eyes balls...

The Story:

Took a trip to the coast and looked around the area and found Karry - a relaxed chilled passionate and sexy as hell woman!

She asked what I liked over email so was hoping for a treat...woah. Amazing is all I can say! A real GFE MILF experience, deep kissing, sucking, licking, fisting(to her), more sucking and licking and that clit, gorgeous and proud - and boy does Karry cum hard if you do her/it right!

Thanks carry for a great, well well worth the trip down - Ill be back!
