The Premises:

Patricia is the only woman working from this address, it's a flat above some shops in a fairly busy west end street. It's basic but clean and I felt entirely safe and unnoticed in the area.

The Lady:

She's a mature woman aged somewhere in her 50's. Her figure is average (neither too big or thin) with a very nice pair of heavy breasts. I find her to be very attractive. Unfortunately there's no web-site or photos.

A shower is provided both before and after if you need it. No drinks are offered but I'm sure a tea or water would be provided if asked for.

The Story:

Patricia is very much an old school working lady. I can't remember her full range of services but a basic 30 minute massage with hand relief is around ?50 (I think) up to a full personal 1 hour service with massage and GFE for ?125. She doesn't do anal, uncovered BJ or unprotected sex.

I'm not going to write a story here. Patricia provided a very satisfying personal service, her french kissing was deep and passionate and it felt as if she was enjoying herself as much as I was. When I came my orgasm was explosive.

Patricia is very much a lady who enjoys her work. She has been an escort for many years and provides a superb service. I will be back.
