The Premises:

This place was previously known as Sue Lee's. It is a discreet end of terrace house close to the main drag in South Croydon. Quite a busy but a safe area. The house is very nice with an amazingly well appointed bathroom.

The Lady:

Dee Dee is a very pretty 24 year old Thai girl with slightly enhanced firm breasts and sensitive nipples. A very good figure.

The Story:

This is one of my favourite haunts and I have seen Hannah plus Sue Lee on several occasions, both here and at her previous place in Waddon. After reading a couple of good reports on punternet about Dee Dee I just had to see her. On arrival the previous customer was still upstairs with Dee Dee but it was OK as Sue Lee was maiding and we had a bit of a 'warm up' in the kitchen.

Once in the room Dee Dee came in wearing a very sexy little red dress and I fell for her straight away. After a deep french kiss and the paperwork she fell on her knees, took out the old fella and got him hard straight away. Her clothes soon joined mine on the floor and what followed was one of the most sensual hours I have spent.

After a nice oily body to body massage it was time for more owo, a 69 and then sex in cowgirl. Dee Dee kept me hard and expertly eased off when she thought I might blow to keep the whole thing going. This lasted for nearly the entire session and eventually she declared that she wanted me to cum in her mouth so it was off with the rubber and, after a good deep owo session, I did just that. She held that for quite a while, milking me dry with her mouth, then nipped out to the bathroom to deposit my load.

The hour was just about up so I thought that when she came back she would just get dressed as per usual but Dee Dee wanted a nice kiss and a cuddle on the bed to finish off. She then noticed that her next appointment was due so I got dressed and nipped downstairs just as the doorbell went. As Sue Lee let him in I waited in the kitchen so I could give her a kiss goodbye and left by the

back gate.

Well worth the visit. Dee Dee works Thursdays and Saturdays but be warned. When word gets out she will be heavily booked. A delightful young lady.
