Profile Name: Stunning Indian Sonam - Highly Recommended

Website: <http://www.indian-palace.com/116/info/2015%20indian%20sonam.html>

Phone: 07572222915

The Premises:

A modern, clean and professional flat located on a busy main road near Chancery Lane tube station.

Felt very safe and discreet.

The Lady:

Facially Jada is an average looking indian girl, not ugly but wouldnt really look twice at her in the street. She was fully clothed when she opened the door.

When she stripped, revealed a lovely body, nice pert ass, C/D cup tits, size 8/10 UK and completely unshaven down there - so beware if that is not your thing!

Overall, looks wise she is decent but has a bit of an attitude problem which was off putting

The Story:

I knew all the girls there only provide a strict vanilla service only so i didnt even bother asking for any extras. I felt I was being a gentleman but she still gave me quite a bit of attitude.

Started with back massage which is ok, nothing special, didnt get me excited. She does the bog standard "where are you from and what do you do" conversation but nothing else. No dirty talk, GFE, PSE, not even a fake groan.

Went on to covered oral which was better, got me hard.

Had sex in the normal positions. No eye contact, infact she even asked me not to look at her during sex which I felt was odd.

Used the full 30 mins.

Overall a mediocre punt at best. There are loads better out there.

Would return to the establishment to see other girls but definitely not to see her.

Service Provider's Rebuttal

Jada writes:

I would like anyone that reads this report to know that it is a complete load of lies. When I open the door at 9.30pm in the evening on a Friday I would have had the whole day to get changed into suitable work wear. I don't open the door in bra and knickers, but I do wear sexy revealing dresses, hardly 'fully clothed'.

I no way have an attitude problem! That is crazy for me to even read that about me in a report. If anyone happens to try and bite me or do something that hurts me, I still am not rude. I let the person know in a nice manner to stop etc. The bad thing about reading someone's report is that they get to say their side of the story first and if they are not happy with something small, sometimes they make up other things to make the girl look really bad which is very unfair. I'm really annoyed about the bit with me not having much conversation. I always make an effort to talk and be very friendly and not have bog standard boring conversations. It's also totally untrue that I don't do dirty talk. I do! The biggest lie in this report is how I apparently said not to look at me while we were having sex and that I have no eye contact. I do have eye contact and I have never ever told anyone not to look at me while we are having sex! That is totally rude and out of order. The author of this report knows that and is deliberately trying to make me out to be as awful as possible.

The only thing I might not have anything to say to in this fake report had it been true, is his opinion of the way I look. Beauty is in the eye of the beholder as they say.

I believe I am gorgeous looking and so do a lot of people that come and see me. I don't need to defend my looks.

I don't believe this guy has even met me. He obviously knows about our place and all the information about us in this report could have been gathered from other reports or by simply phoning up. I would like to say to the author of this report that it's bad what you have done. You know your report is not true and whatever your reasons are for doing it, good luck to you.
