The Story:

this was a great time. We both enjoyed it (oh well she said she did and came twice and it was sensuous and a fab time. Spontaneous punt and havent for a while. I was really glad to get some time with Chloe. I wanted to meet her and I was really glad she did!

she was wearing hold ups, a corset and looked great.

We kissed deep and I showered. She is not a girl for a massage.....she is sexy and sensuous so we stroked each other and she kissed and tickled me with her long nails, having me writhing around the bed. I licked her a lot and she cums loud and enjoys it but likes to just come once in a row.

she sucked me and it was a fab bbj, and i was left on the edge. Prolonged fantastic oral sex, and then started using an anal vibe on me which was really fab while she gently tortured my cock with ties. I begged her to spank and me she did with a glint! She found my limit and made me enjoy it. Then she got out her lovely purple strap on (as per pics) and she fucked me really gently at first...

Then i licked her and fucked her slowly and we came both came and cuddled and chatted.....

wow.. ok ive got a kinky side! she ticked a lot of my boxes and she was lovely and sensuous and sexy and warm and affectionate.....I think she was fantastic.....if I was a rich man I would enjoy more and lots of her company
