The Premises:

Her place was nicely presented and easy to find, directions given were really easy to follow. Place was very clean and in a nice area of St Albans. I felt totally safe and comfortable going to visit.

The Lady:

Crystal describes herself as mature, I love mature women. She is a blonde goddess, with extremely long luscious legs. She has a sexy curvy figure, with curves in all the right places. She is also really toned and gorgeous with a capital G.

The Story:

Crystal invited me in to her house, wearing nothing but a stilletos, stockings, knickers and leopard print top.

We chatted briefly and she put me at my ease instantly and I settled up, before getting down to the matter in hand. We started with a massage and gentle fondling and caressing. Crystal lost her top and I felt her nice warm body on mine, lovely firm breasts. Next we kissed and she went down on me, giving me one of the best blow jobs I have ever had. Slow, gentle and lots of skill, I didn't even feel her put on the condom with her skillful mouth.

I had one of the best sexual experiences, for a while, her nibbling and calling my name as we fucked, long hard dirty sex.

Crystal was amazing, WOW.
