The Premises:

Side St off Edgware Rd. Clean and safe. Okay flat up 1 flight.

The Lady:

Nicely rounded, large breasts. Wearing a erd net body suit with her very large dark nipples poking through (it was the size of her nipples that intrigued me and the Brazilain ass). Rounded and sexy with a gap between her front teeth

The Story:

English okay, a bit of light kissing. She obviouly has some mixed blood (like many Brazilians) and her mound was dark and the thick hairy strip (can I call it a Brazilian?) was wiry and bushy. Some reasonable OWO. Then I got down and dirty with her pussy (DATY) and she has a failry protuberant clit which got some serious work. Soon had her moaning and she took my hand and wanted my fingers firstly up her ass, deep, then moved them to her pussy, pushing thme hard inside. Writhing around on the bed with me kneeling and licking while I shoved my fingers deep in her snatch and she pushed hard against me till she came shuddering and juicy. Finished off with a tit wank between her magnificent DD cups. By this time I was horny as a stoat and shot my load all over her throat and face and some even up her nose which was less amusing for her than it was for me. Good shag and fun but not a revisiter I don't think.
