The Story:

My first time at Ericas but hopefully not my last. I was very nervous at first i wasn,t sure if she is as good locking as shown on The Agency webb site but actualy better than expected. Erica gave me a full body oil massage to relax me and I returned the favour on her lovely body which I enjoyed immensely and I think she enjoyed it too. My cock sliding between her buttocks while I massaged her back was an added thrill so I tried the same thing between her tits on the other side. I had a great unhurried time including oral both ways, my balls enjoying the attention of her tongue and lips. I also fingered her while she gave me a covered blow job and we had sex in a few different positions. I had a great orgasm when Erica crawled over me and we had a great kissing and hugging session which ended up with me entering her without meaning to (though I suspect she did). Even then there was no rush and we fooled around some more before she gave me a nice soapy shower missing nothing in the process and sent me on my way with a smiling face and a peck on the cheek. A great GFE with a very attentive and caring girl.
