Great location in the Bay, parking was easy and safe and secure. Modern block of appartments and the room was comfy and very clean

### The Lady:

Jasmine is as you see her on her web site - great body, fabulous legs especially when covered in stockings.

### The Story:

This is the second time I've visited Jasmine and it gets better every time. She seems to know exactly how to please you from the smallest of comments you make to her. The experience is definately one to savour.
