The Lady:

Beatiful figure. Thai girl , hard to age , 20 something ? , 30ish ? I'm rubbish at ages. Not young , not old. Dressed in sexy dress & no underwear. Nice.

Enhanced breasts. English good but not perfect. Plesant & polite.

The Story:

Available at short notice which was good. Quick shower before nice massage and on to oral on me. Wasn't quite hard , but soon was after enthusiastic deep throating. Poss would prefered a slower build up - a little rushed.

She then put on condom & into cowgirl position. All good & nice but again a bit rushed. Had to slow her down , got her to lie down & wanked myself to full potential then entered her in missionary position to a very satisfying climax. Nice touch after with hot towel readied to clean my "areas".

All in all a respectable punt with a very attractive lady but not quite "carlsberg".

if you know what I mean.
