The Premises:

Maisonette in a quite village outside Newark - easy to find and with good safe parking. Place itself was very clean and comfortable, an ideal fun pad

The Lady:

Annabel is a very attractive and curvy (34"H) curly blonde lady of above average height (5"7") in her early forties. Dressed in a tight skirt and plain white blouse over sexy underwear with hold ups, she had a rather erotic air of sophistication. The photographs on her site are totally accurate.

The Story:

I was given a very warm welcome by this lovely lady. Once seated on her sofa (I like sofas) I was plied with Bucks Fizz as we got to know each other. This inevitably led to kissing and caressing which led us to moving to the bedroom.

Annabel is a wonderfully skilled lover. We enjoyed more kisses and cuddles along with OWO, sweet and responsive RO and 69. Somehow we missed out on the sex but it didn't matter, I had a wonderful time.

Annabel is a most interesting person to chat to, being full of, as she says, life experiences. Perhaps the biggest surprise of the evening was the production of a light supper - pate, cold roast beef and fresh fruit washed down with orange juice. A surprise and a really great way to finish off our assignation.

It is far too simplistic to describe what Annabel provides as a GFE, it is a truly wonderful experience. Very very highly recommended.
