### The Lady:

Beautiful Hungarian not the Brazilian Christina on website. Nice figure shaved neat pussy and asshole.

### The Story:

Very friendly relaxed girl with good attitude. Opted for FK OWO and sex. The kissing was nice and she tasted good but if you want real deep French kissing she's not your girl. Oral technique fantastic not quite deep thought but you have to try it. Not something I usually do but when presented with the sight of her tight pussy and asshole just had to lick them. She seemed to like this particularly a Tongue up her ass. Tried fingers too but that was not allowed and to be fair I did not ask beforehand which I usually do. So good was the oral that I carried on to completion. Very sweet chatty affectionate girl. I'll be back to finish in her tight pussy next time.
