### The Premises:

The old 'Oasis' premises on Peel Street. Clean and discrete, although there is often a small group clustered round the door of the nearby tattoo parlour. Pleasant room with shower and mirrored ceiling.

### The Lady:

Young (early twenties), slim and tall (about 5'9", plus whatever heels she's wearing!). Short dark hair, big deep blue eyes, and a beautiful figure - about 34c at a guess, with long long legs and a quite outstanding bum! She is - IMHO - extremely pretty.

### The Story:

My second visit to Tiffany, as I couldn't quite believe the first! A really first-rate encounter, with OWO, RO and 69, all undertaken with a real sense of fun. She is utterly charming! Unreservedly recommended!
