The Premises:

Modern flat in great condition in big block so very safely anonymous.

The Lady:

Lovely firm figure, tanned skin with young face and ready smile. Dressed in high-class basque.

The Story:

Hadn't realised Bianca wasn't English but understands and speaks perfectly well and in any case has very positive personality.

Requested cuddle instead of massage and we didn't seem to stop snogging from then on - other than when mouths otherwise employed.

Just had a great time as if with a girlfriend in the early days of passion - completely brilliant.

The snogging, the free fondling, the oral both ways, the snogging, the sex, the cuddling, the snogging, the shared shower, the snogging at parting - brilliant.

PS Nice maid.
