The Lady:

Website photos totally accurate. Very slim and toned. Smartly dressed. Beatiful skin. Not an ounce on her. Small breasts but I held that against her for too long and now i have finally met her wish i had not! She's a very beatiful girl.

The Story:

Well, I generally go for more curvy girls so had not tried Viv despite her many good reviews. But resolved I finally would, and sooooo glad I did. She does manage to live up to the reviews on the Bubbles website.

Quiet at first, but came out the bathroom in bra and knickers and she really was a wow. Cuddled up in bed. Asked me what i wanted, and we sort of went with the flow. Cuddled, OWO (very nice, and unusual for girls from this agency), massaged her a bit, gave her oral which she seemed to enjoy. Me on top - she's really passionate. wWs energetic and really seemed to be enjoying it. Turned her over. What a bum! Came in an explosion, then we cuddled up till time.

She's a fantastic girl. I've used this ahency for years and I think she is the best ever. Would recommend without hesitation.
