The Premises:

Scarletts specialises in the more mature lady and is located in Prestwich just off the main Bury Old Road opposite Heaton Park entrance. Please note that although their website states it is behind the Turf Tavern pub, that is now the Lime Tree, an Indian restaurant. Ample parking round the corner in a public car park on Park Street.

While the parlour is not as swish as the big name places, it is clean, welcoming friendly and comfortable.

Our room was huge with a large bed on a raised platform in the middle of the room, a big jacuzzi on one side and an en-suite toilet and shower on the other side.

The Lady:

The website describes Paige as "Sexy leggy long haired brunette 36gg boobs and size 12 figure early forties and very sensual specialises in all areas" - a very accurate description.

Paige is a curvy mature brunette, in her forties with a lovely shapely fuller figure and the most gorgeous pair of large breasts. I don't go for the "perfect model" type, I'm very much into real women, they turn me on big time and Paige is no exception. With a lovely smile, she is a very chatty friendly lass and I very soon felt at home with her.

The Story:

When she came in, she said we needed to have some ambience in the room and immediately lit the candles round the jacuzzi and put some music on the CD player next to the bed.

After the initial chat she got me to roll over to do the obligatory massage to start off with. A really nice massage and it soon became evident that this lady has a delicate tender touch when it matters and knows how to inject subtlety into the proceedings. Pretty soon she started using her gorgeous breasts to massage my back, rather a sexy feeling. During the proceedings she took her top off and continued in the same vein, chuckling at my murmurs of pleasure. I love it when a lady massages me moving gently and slowly towards my balls from behind - I was lifting my bum in anticipation.

Then it was time to get me to whip over and let my mouth feast on those beautiful orbs. She told me that she would continue to massage me from my feet upwards and that's what happened as she licked me sensuously gradually moving upwards. I was almost exploding by the time she got to Mr Todger but little did I know what pleasures lay in store. Oh boy, she gently started giving me oral, using her hands and mouth. An awesome technique done ever so gently and delicately - I can quite honestly say that I've never experienced anything like it. After a while, we swapped over to a 69 and I discovered the joys of her moist hairy pussy - I much prefer au naturel to the current trend for a landing strip or even totally shaved. The rest of the session was a bit of a blur but as I found myself running out of time, I couldn't let it end there, so I extended the session by another 30 minutes and that was taken up entirely with Paige continuing to give me her exquisite OWO. Throughout the session, lots of kissing, hugging, laughter, eye contact, true GFE.

If you want a stick insect clone, this lady isn't for you. For people in the real world, yes yes yes! The price includes ?10 for OWOTC.
