The Story:

When i arrived greeted by this chatty bubbly lady who made me feel at ease straight away. slowly undressed me and joined me for a shower then into the bedroom. started off with a lot of kissing(really good kisser),foot massage and toe job then bj uncovered with a prostrate massage(amazing, try it if you havnt already). Then i returned the favour with my tongue. (boy when this lady cums its awesome youve got to experience it) then on with the welly and celeste on top follwed by doggy and oral to completion(swallowed every last drop.) Would love to keep her to myself but i cant recommend her enough.
