### The Story:

Kylie Louise deserves a few complimentary words to be said about her as this was the best punt that I have had for a long while. Right from the start she made me feel very welcome and I immediately felt very relaxed in her presence.

After the usual formalities she stripped off to reveal her very sexy underwear revealing her lovely curvaceous body. What followed was two hours of lovely, laid back and gentle sexual fun, the highlight being for me the amazing OWO with some skilfully administered pleasurable pain which really hit the spot for me. This was followed by a lovely long session of reverse oral which certainly seemed to hit the spot for her. After that we still had time to chill out and relax which was a perfect way to end our time together.

Kylie Louise is very professional in her attitude to her work, she put a lot of effort into our time together and she was always very eager to please me and this was reflected in the quality of the time we spent together. There is no clockwathing, she doesn't rush you and she even switched her phone onto silent so we were not disturbed.

So if you are in Nottingham and have some time to spare give her a call, she is a lovely young lady with a cracking personality and trust me when I say that you certainly wont be disappointed with the time that you spend with her.
