### The Story:

Pleased when I saw her and got the fee out of the way straight away. Mesmerised by her boobs and figure generally. Got the rest of the prelims out of the way and began with that lovely body. Wanking and sucking soon had me hard as nails and wanting more. Let her shag me in cg and that was wonderful but wanted to be control when I came so me on top and humped till I came. Terrific hour of fun and lsut.
